# UEA SUMMER UNIVERSITY

*Join us in the United Kingdom in July 2025*

University of East Anglia (UEA) is a world-leading, comprehensive research university and this summer you could be a part of our vibrant community. UEA's Summer University offers several summer study options for international students. Take the opportunity to learn from leaders in their field, experience an English university, meet other like-minded students and live in a historic city.

## WHY COME TO UEA'S SUMMER UNIVERSITY?

### Something for everyone

With an interdisciplinary academic programme as well as a range of subject-specific programmes across our faculties, there is something for everyone, whatever your interests are.

### Experience campus living

Your programme fee includes housing on our beautiful campus as well as some meals. This means you can enjoy living and learning all in one place.

### Explore a unique medieval city

UEA is located in Norwich, one of the most well-preserved medieval cities in the UK and packed with arts and culture. Enjoy living in an authentic British city.

### **World-leading academics**

UEA is a world-leading research university. This means that you will be learning about the latest developments in your subject and taught by leaders in their fields.
